150th Anniversary Sesquicentennial Booklet Ad Specifications

Please contact us if you have questions or need assistance with any of the specifications.
We are happy to help you with file formatting and graphics.

Re: Book Size – pages are 8.5” x 11”

Re: Color – the book will be published in full color.

Re: Paper vs. Electronic Ad copy – electronic versions of ads are preferred rather than printed. Not computer savvy, it's okay – printed handwritten text will be accepted and typeset as needed. Please write legibly.

Re: Electronic Document files – please embed fonts or send a separate file of the fonts with the ad. Otherwise the printer may have to change the fonts.

Re: Photos and logos – if you e-mail your ad, please send the original electronic photo and/or logo in the email with the ad. If you send a hard copy ad, then include the actual photo and logo for scanning or put them on a CD for a better printed result. (We can return your original photo if needed.)

Please provide original photos and not screen shots or pictures of pictures. A properly scanned photo will create a nicer finished result you can be proud of. If scanning your own photo, please scan at least 150 dpi. 300 dpi preferred.
